**2017**

- We have 4 weeks to go live
- There is no time to prepare specification, but we know the vision specified by the law
- Can we meet every week to see a progress?

## Achievements

- Delivered on time
- Shared incremental achievements and failures
- Customer satisfied with working solution
- Customer understands product
- No big acceptance testing session
- Customer created user documentation

## Failures

- Hard to find who has the responsibility
- We have to implement some useless functionality from contract afterwards
- Infrastructure long planning, bad test environment
- We created some unnecessary documents, formal meetings
- Enhanced documentation created

## Achievements

## Failures

### Customer collaboration over contract negotiation

- Delivered on time
- Shared incremental achievements and failures
- Hard to find who has the responsibility
- We have to implement some useless functionality from contract afterwards

### Responding to change over following a plan

- Customer satisfied with working solution
- Infrastructure long planning, bad test environment

### Individuals and interactions over processes and tools

- Customer understands product
- No big acceptance testing session
- We created some unnecessary documents, formal meetings

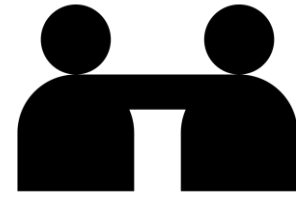

### Working software over comprehensive documentation

- Customer created user documentation
- Enhanced documentation created

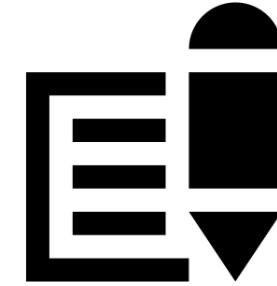

**Thank you.**
